## **Cool New Tools For Saner Living©**

**Is life feeling hectic?  
Are you finding it hard to find  
time for you?  
Does the anxiety gremlin hitch a  
ride on your tailcoat?**

You are not alone. These common 'life conditions' are shared by millions of Americans. Many people find life balance as elusive as winning the lottery. Unlike the lottery, you don't have to leave your life path up to chance. You can create the life you want, the business you want, the relationships you want, using **Cool New Tools For Saner Living.**

---

**Cool New Tools For Saner Living** are plug and play.  
You can use them as soon as you learn them.  
It's as easy as pie. Simple as 1,2,3.

---

Hire Chris Wucherer, psychotherapist and life & business coach, for a lively discussion and interaction.

**For businesses and organizations**

**As a thank you to clients**

**As a house party with friends**

**You will be glad you did!**
